

6th May 2014

WIN a place at Challenge Weymouth and raise money for Julia's House!

You already know that we're thrilled to be supporting Julia's House this year at Challenge Weymouth, so we're even more delighted that Barclays Plc, current supporters of Julia's House Hospice, has generously donated a place for one lucky competition winner.

Now you have the chance to WIN this charity place and raise money for our official charity partner!

And here's the best thing; the place has been donated by Barclays Plc, so there's no cost to the winner at all. All we ask is that the lucky winner pledges to raise £1000 for Julia's House Hospice.

How the competition works

To win this place with Julia's House, all you need to do is answer the following question and write the answer on our [Challenge Weymouth Facebook Page](#) by 5pm next Tuesday 13th May.

Question: In what year did Julia's House start caring for the life-limited children of Dorset?

One lucky winner will be picked from a prize draw, and notified via social media on Wednesday 14th May.

Good luck!
