

Weldmar Hospicecare Trust
Caring for Dorset

WELDMAR HOSPICECARE TRUST and JUST RACING (UK) partner for 2015 and beyond.

Just Racing (UK) is extremely proud to announce the partnership with Weldmar Hospicecare Trust. Weldmar Hospicecare Trust is an independent charity working in Dorset, their amazing work providing specialist palliative care in north, south and west Dorset. With all their services provided free of charge, 75% of the funds are raised locally; the rest is given by the NHS. Just Racing (UK) is pleased to be working with such a worthy cause.

Alan Rose, Director of Just Racing (UK) said,

'It's a real privilege to be partnered with such a special charity. Most of us will have been touched by such an organisation at some point in our lives. Weldmar Hospicecare Trust is a professional and personal charity doing wonderful work throughout Dorset. We are looking forward to helping them to raise funds for such a great cause with our Weymouth events.'

Matt Smith from Weldmar Hospicecare added,

'I am really pleased that the 2015 Challenge Weymouth and Just Racing (UK) will be supporting Weldmar Hospicecare Trust. It is fantastic to team up with an event company that brings together the local community that we provide care to. We are all really excited about getting involved in the events which will not just benefit the area but also a local cause that is so close to so many people in Dorset.'

Just Racing (UK) are working closely with Weldmar to provide an exceptional offer for all athletes wanting to take part in any of their Weymouth events, by giving competitors the opportunity to **race for free** in 2015, including the Weymouth Half Marathon, the Dorset Smuggler Cycloportive and Challenge Weymouth / Weymouth Half Triathlons. This is how:

Weymouth Half Marathon / Dorset Smuggler Cycloportive

For individuals and for teams, you just have to raise more than your entry fee and you get a full refund of your entry
