

Tuesday 29<sup>th</sup> April

### **Weymouth Middle Distance Triathlon supported by Triathlon England**

We are delighted that [Triathlon England](#) will be supporting the Weymouth Triathlon on the 14<sup>th</sup> of September 2014 by including it in the Triathlon England SW Region Senior Triathlon Series.

*Alan Rose, Challenge Weymouth Event Director said "It is great we have been included in the England SW Region Senior Triathlon Series, as it helps promote Weymouth as a triathlon location to a larger audience and opens the sport up to more in the local area".*

The South West Region Senior Triathlon Series has been established to encourage those both new to the sport of triathlon and more experienced athletes to take part in and enjoy some of the best races the South West region has to offer.

It is designed to encourage and support Club participation in a competitive race series. The events in the series offer participation over race distances varying from sprint through to middle distance; pool based and a variety of open water swim courses in all areas of the region, across the race season.

Participation in the series is as an individual male / female athlete, whilst the South West Club Championship sprint and standard distance titles will be decided at the TriBristol event on 29<sup>th</sup> June based on the Clubs 4 (2 male/2 female) best performances in each distance.

### **Are you interested in signing up for the Weymouth Half or Weymouth challenge?**

Then what are you waiting for? More information about the Challenge Weymouth event can be found by visiting the event website, [www.challengeweymouth.com](http://www.challengeweymouth.com) or by following the team on [Facebook](#) and [Twitter](#).
